In the event that a class needs to self-isolate for 2 weeks, blended learning plans are in place so that your child can continue to have access to their education. This may include recorded content, online activities or other approaches. You will need to check their learning platform for instructions.

Nursery and Reception class along with Class 1 will be using J2 Homework as their learning platform. In addition, J2 Message will be used as a form of communication between your child and their teacher.

Class 2 and Class 3 teachers will continue to set your child's learning on Google Classroom. Pupils can message teaching staff with any queries and they will be able to offer support.

A device and internet access survey has been created so that we can assess any difficulties in accessing the online platform. Could you please complete this as soon as possible so that we can do our best to address those difficulties.

I hope that you all remain well. Please be assured that we will do everything we can as a school to ensure that no pupil at Myrddin Primary is disadvantaged as a result of the ongoing pandemic.

Yours faithfully

Mr C R Jones

Assistant Headteacher
