

## School Catering Update: Primary School Christmas Lunch Update

---

Thank you for your cooperation and support in relation to the planning of our Christmas lunches, we hope all pupils and staff get to enjoy any festive activities being celebrated at your school.

Unfortunately we are not able to accept any cash payments for school meals due to Covid, therefore we would be grateful if you could liaise with your parents to advise them that if they haven't yet activated their ParentPay accounts to advise them to do so or alternatively we can provide them with a PayPoint letter in order for them to pay via cash at their local shop that accepts PayPoint transactions.

If you require any ParentPay activation letters/PayPoint letters please email the details to our designated email address so that your requests can be actioned, or alternatively please pass on our contact details to parents:

Email: [schoolmeals@carmarthenshire.gov.uk](mailto:schoolmeals@carmarthenshire.gov.uk)  
Tel: 01267 246748 / 246714

Please also notify us of any revised arrangements for the charging of staff meals.
